REMARKS

Amendments are to insert page numbers so as to clearly indicate that the application is complete as filed and to insert the required notice of government support which was inadvertently omitted from the specification. The remaining amendments to the specification are to enter the sequence identification numbers, introduce the Sequence Listing into the specification and to renumber the existing pages. Entry of this Preliminary Amendment is respectfully requested.

In adherence with 37 CFR §1.821-1.825, this amendment is accompanied by a floppy disk containing the above-identified sequences, for the following SEQUENCE ID NOS 1-16, in computer readable form, and a paper copy of the sequence information. The
